

Spokane Cooling Access & Heat Risk Screening

Relative screening score, not an official heat-response designation | 34 cooling centers/spaces used for access scoring | 235 total mapped resources

Spokane Urban Core Detail

County Context

Top Priority Tracts

Tract 140.01	Score 12 7.2 mi
Tract 136	Score 12 3.7 mi
Tract 112.03	Score 12 3.1 mi
Tract 50	Score 12 2.7 mi
Tract 140.02	Score 11 5.9 mi

Score

Heat-wave risk, social vulnerability, no-vehicle households, and distance to nearest cooling center/space.

Access

Distances use Census tract internal points. Supplemental parks, pools, splash pads, and fountains are shown but not scored.

Caution

Classes are relative within Spokane County. Facility status, hours, capacity, and transit travel time are not modeled.

Low concern (35) High concern (28) Supplemental resources
Medium concern (67) Cooling centers/spaces Major roads
